*Saint Francis Hospital South - trusted healthcare close to home.*

When you or your family need health care you can trust, it's good to know Saint Francis is here for you. Saint Francis Hospital South is a community hospital offering a variety of medical and surgical services. Our mission is to expand patient service and high quality care to South Tulsa and surrounding communities – including Broken Arrow, Bixby, Coweta, Jenks and Wagoner. From comprehensive orthopedic care to state-of-the-art imaging and personalized labor and delivery services, we provide the care you need close to home.

## **Protect Your Life Savings With a Long Term Care Policy**

At some point, almost everyone has thought, "That will never happen to me." However, unexpected events such as accidents and serious illnesses happen all the time. Do you have the financial ability to pay for long-term medical care?

According to the Americans for Long Term Care Security, more than half of the U.S. population will need long term care at some point during their life. Many people assume that Medicare, supplemental policies or standard health insurance policies will cover long-term medical expenses, so they do not plan financially for their long term care needs.

Financial planning for long-term care is important because long-term medical costs are expensive. According to the latest survey by one of the most comprehensive and respected surveys in the industry, in 2009 the average annual cost for a semiprivate room in a nursing home is \$66,850 and \$74,208 for a private room<sup>1</sup>. Those costs translate to an average of \$183 per day for a semiprivate room and \$203 per day for a private room. A home health aide can potentially cost about \$42,000 per year.

COUNTRY<sup>®</sup> Financial offers<sup>2</sup> individual Long Term Care policies and a Long Term Care Accelerated Benefit

rider on whole life policies. If you are between the ages of 18 and 84, you may be eligible for a Tax Qualified Long Term Care Insurance policy.

COUNTRY offers two plans with different levels of protection. Each is flexible and can be tailored to meet specific needs. These policies can be paid up in as little as 10 years or by age 65.

- **Comprehensive:** Provides a wide range of benefits, including coverage for a nursing facility or home care.
- **Facility Only:** Provides coverage for services from a nursing facility.
- **Shared Benefit:** Covers expenses from a nursing facility or home care, and benefits both husband and wife.

The Long Term Care Accelerated Benefit rider can be added to a new whole life policy at time of purchase from COUNTRY Life Insurance Company<sup>®</sup>. This adds flexibility to your coverage. For example, if you need help paying nursing home or other long-term care expenses, the policy's death benefit can be withdrawn while you are living.

Don't risk the possibility of spending your life savings on long-term care. For help determining the right long term care policy<sup>2</sup> for your needs, contact a local COUNTRY financial representative.
