A new master-planned residential community of upscale, single family homes surrounding an 18-hole golf course has been officially opened at 30510 E. 63rd St. in Broken Arrow.

Phase I of Emerald Falls features 57 homesites, all with fairway or parkland views. Prices range from \$250,000 to \$450,000 for homes from 2,200 square feet to 3,400 square feet in size.

Phase II will offer 45 patio-style homes with fairway views. Phases III and IV will be available for future development, officials said.

At the heart of the community is an 11,600-square-foot clubhouse and 18-hole golf course. Individual, family and corporate membership packages range in price from \$2,520 to \$9,000 per year.
